Creative

Y&R, London

Working on campaigns for BBC, TUI and Babybell. Designing presentations for high pressure pitches and bringing concepts to life. Delivered art direction and executed the designs for the world's first "Dyslexic Sperm Bank".

Creative Lead

Mecca Bingo, Rank Group, London

Creative team lead for this British gambling company, whose major brands include Grosvenor Casinos, the UK's largest casino operator and Mecca Bingo.

- Due to my success as a creative designer and my managing skills I was promoted and put in charge of establishing and implementing the end-to-end creative vision for Mecca Bingo across retail, digital, mobile and social platforms, leading all stages of design development, production and the execution of creative campaigns
- Handle all stakeholder expectations by communicating effectively, pitching, presenting and collaborating directly with the Marketing Director and Head of Brand on all aspects of campaign development and delivery; manage external design resources
- Demonstrating excellence in working flexibly, often reacting very quickly to competitor activity
- In result of utilising excellent people management skills I was put in charge of a creative team of 5 designers, covering print as well as digital; recruiting, developing and motivating the team from scratch
- Initiated the business strategy of moving all print work in-house, saving the company £250k in the first four months and much more since
- Achieved brand consistency by launching a new brand identity for all platforms and throughout Mecca Bingo clubs; developed brand guidelines
- Ensure on-time, high quality delivery by establishing a new creative delivery process, involving set briefs and templates, where none existed previously to better manage stakeholder approval

Senior Digital Designer

Mecca Bingo, Rank Group, London

Competently completed all digital design work for Mecca Bingo campaigns before print was brought in-house.

- Earned stakeholders trust by constantly delivering innovative and compelling digital and social campaigns, including mobile, fulfilling all briefs to extremel
 - high standards and meeting tight deadlines
- Managed and trained a Junior Designer which led to them being promoted
- Reduced and streamlined the design delivery tim by involving the Junior designer in the process in result of developing their design skills
